

Personnel fatalities in United Nations missions, by year, up to 30 June 2008

Henri Boshoff*

The following table, as drawn up by the United Nations Department of Peacekeeping Operations (DPKO), classifies fatalities in the following categories:

- DPKO: Peacekeeping missions under the command of the DPKO.
- Non-DPKO: Special political and/or peacebuilding field missions and other UN peace offices under command of the Department of Field Support and the Department of Political Affairs.
- Peacekeeping: Fatalities of the UN Secretariat, as well as the Special Committee on the Balkans, which cannot be classified under DPKO or non-DPKO.

Fatalities refer to all personnel losses as a result of accidents, malicious acts, illness or other, unspecified, reasons.

Seven of the current 16 active peacekeeping missions are based in Africa.
